

PRODUCT INTRODUCTIONS

blue faux leather, gas-lift bar stools in, stainless steel and a star-shaped base; the Daunte mirrored wine cabinet with antique grey metal finish outside and black finish on the back and inside, clear mirror and metal frame. More stools include: the Mitchell swivel stool in diamond patterned stitching in a gray tone; and the Zac gas-lift bar stool in vintage blue fabric, stainless steel and a star-shaped base.

Occasional introductions include the Fenno KD coffee table, incorporating MDF with walnut veneer fusing a gray metal frame as part of the table top while utilizing copper plated legs; a high end cocktail table, end table and console in rose gold finish, with black glass top, stainless steel finish and tempered glass; and the Ignacio console with black glass top and rose gold finish stainless steel.

ORIENT EXPRESS FURNITURE**B-680**

The Charlie round coffee table is made from parquet wood top and stainless steel.

The Field coffee table is made from reclaimed wood under 8-millimeter tempered glass top.

The Melrose coffee table features interlacing lines of brushed rose gold supporting a white stone top.

The small Hilton accent table is made from brushed rose gold and white stone.

The Canvas dining table's chevron wood design and crisscross stainless steel base give this design an industrial feel.

The Jasper dining chair, with horseshoe shape and tufting all around, is shown in pearl gray with weathered wood legs; also available in chestnut leather.

PASTEL FURNITURE**B-762**

The company is expanding its Comfort Plus by Pastel caster chair program with plush cushions and swivel tilt mechanism. Extendable dining tables featuring laminate top with solid oak edge are now available in new finishes and new styles.

Outdoor sister brand, Mallin Casual Furniture, also showing in showroom B-762.

POWELL**A-747, A-753**

Launching several youth beds, including bunk and loft beds in wood and metal with bright colors and bold looks to go with any decor.

The wooden Casey bunk bed has a curved shape and storage shelves at the headboard and footboard. Comes in white or grey finish and retails for \$599.

Dining introductions include the Franklin transitional collection in dining and pub heights. Franklin mixes metal and wood, and features a round table with oak veneers, a nailhead trim apron and matching chairs. Retails from \$399-\$599.

Introducing a wide array of accent furniture that runs the gamut in style, material and finishes. Multiple consoles fit a variety of budgets or décor. The Duplin Blue console table features ample storage space, antique bronze hardware and a distressed blue finish. Retails for \$399.

In the Bombay line, Powell is introducing exotic looks and styles, including several accent pieces and many upholstered accent chairs, benches and ottomans. The functional Riley bench has an espresso base and striking brown-and-white zebra print upholstery and opens for storage. Retails for \$219.

SOMERTON DWELLING**A-914**

The company is expanding options for the Improv collection. New to the Las Vegas Market in the Improv in B with a black walnut finish and the Improv in G with a grey oak finish is a bedroom dresser with base. The 7-drawer dresser offers plenty of storage space and creates a foundation for adding more stackable components to build customized living solutions.

Casual dining introductions include the Sola gate leg table and Torri chair Added to Popular.

In casual dining, the Novara collection, known for its sleek, contemporary lines, walnut veneers and Zebrano borders in an artist charcoal finish, is expanding to include the Sola gate leg table and the Torri chair. The Sola table is designed for small spaces. Fully extended it will seat six, lower one side to seat two to three, lower both sides for easy storage. Added storage is available in the center column.

The Somerton Dwelling Open Seating collection now has servers, sideboards and cabinets designed to mix and match with existing tables and chair finishes. The dining pieces range in finishes from light to dark and in styles from traditional to transitional to retro modern. Also stepping up the dining experience are counter height tables and counter height chairs in colorful fabrics.

Prescott is a versatile Blanc White-finished server in a classic style with a top that slides forward to become a counter height table.

STAR INTERNATIONAL**B-680**

In casual dining, new to the Ritz collection is the modern Monica buffet with white high gloss lacquer intersecting with contrasting chrome and walnut.

The Galaxy dining table base in stainless steel integrates with current 75-by-42-inch tops.

Neutral tones and a slightly nostalgic silhouette make the Amber dining chair suitable for any contemporary dining room.

Occasional introductions include the Pebble coffee table with a solid-stone look in light weight fiberglass.

STERLING**A-416**

Introducing the Gracie Parke chair in black and silver.

Beaufort Point, a five-piece set with gold finished framework and textured grey, includes desk, two accent tables and two square benches.

The Penn shelving unit in farmhouse stain on mahogany.
